

FREE DELIVERY TO BE EXTENDED

On January First the Route Will
Include South Gainesville.

ROUTE OTHERWISE EXTENDED

The People East and West Who Have
Not Heretofore Enjoyed this Privilege
Will Then Have Mail Delivered at
Their Homes—Big Improvement.

The system of free delivery, which
was inaugurated in this city at the be-
ginning of the present year, seems to
have proved a great convenience and
success, since it is announced that the
service will be extended on the first of
the coming month—less than a year
from the time it was inaugurated.

The system began with only two
carriers, but the system was so heavy
that on December 1 an additional car-
rier was installed, since which time
three carriers have been kept con-
stantly busy to meet the demand.

South Gainesville Included.

The extension as proposed will in-
clude South Gainesville, and the ter-
ritory east and west will also be en-
larged. It is hoped to include North
Gainesville within the next few
months.

When the free delivery system was
first established here it created consid-
erable comment, a few suggesting the
idea of absurdity, declaring that it
would prove of no benefit. The ma-
jority favored the improvement, how-
ever, as the people as a rule sanction
public improvements and public bene-
fits.

To Whom Credit Belongs.

A city growing as Gainesville has
grown demands every modern conven-
ience and metropolitan advantage that
can be secured, and to Hons. Walter
G. Robinson and Henry S. Chubb of
the United States land office, and Post-
master Arnow, the people are indebted
mainly today for this modern accomo-
dation. Realizing that Gainesville was
entitled to this privilege they exercised
themselves in an endeavor to secure it,
and were successful. They are to be
commended for their energy in this
direction, which has benefitted the
whole people.

With the extension of the free mail
delivery, the numerous transfers of
real estate, the rapid building of busi-
ness houses and fine residences and the
general healthy commercial condition
of the city, it stands to reason that the
population of Gainesville should be
largely increased within the coming
year.

Do Not Suppress a Cough.

When you have a cough do not try to
suppress it, but remove the cause. The
cough is only a symptom of some dis-
ease, and that disease is what you
should cure, then the cough will stop
of itself. The most common cause of
coughing is a cold. Anodynes will
promptly suppress the cough, and
preparations containing chloroform,
opium, etc., are used for that purpose,
but they do not cure the cold. Cham-
berlain's Cough Remedy on the other
hand does not suppress the cough, but
relieves it by removing from the
throat and lungs the mucus which ob-
structs the breathing and allaying the
irritation and tickling in the throat.
It also opens the secretions and effec-
tually and permanently cures the cold
as well as the cough. For sale by all
druggists.

BAPTIST XMAS PARTY.

Children of That Church Entertained
by Fish Pond Thursday Evening.

The First Baptist Church tendered
to the Sunday school of that church
Thursday night at the old armory, En-
del block, an enjoyable evening in the
nature of a fish pond.

This function, which differed con-
siderably from the old-time Christmas
tree, was largely attended by both the
children and their parents and friends.
A great many presents were distrib-
uted by means of "fishing" behind a
screen, the presents being attached to
the hooks. The question of what the
present would be created a great deal
of fun, but everyone who attended re-
ceived a present, and everybody was
happy and satisfied.

Cured Lumbago.

A. B. Casman, Chicago, writes March
4, 1903: "Having been troubled with
lumbago at different times and tried
one physician after another; then dif-
ferent ointments and liniments, gave it
up altogether. So I tried once more,
and got a bottle of Ballard's Snow Lin-
iment, which gave me almost instant
relief. I can cheerfully recommend it,
and will add my name to your list of
former soldiers." The 50c and \$1. Sold
by W. M. Johnson.

GOOD POTATOES BRING FANCY PRICES

To grow a large crop of good potatoes, the
soil must contain plenty of Potash.
Tomatoes, melons, cabbage, turnips, lettuce
—in fact, all vegetables remove large quan-
tities of Potash from the soil. Supply

Potash

liberally by the use of fertilizers containing
not less than 10 per cent. actual Potash.
Better and more profitable yields are sure to
follow.
Our pamphlets are not advertising circulars
booming special fertilizers, but contain valu-
able information to farmers. Sent free for the

TWENTIETH CENTURY CLUB.

Interesting Meeting Tuesday at the
Home of Mrs. Richards.

The regular meeting of the Twen-
tieth Century Club was held Tuesday
afternoon at the residence of Mrs. B.
P. Richards, the president presiding.

After a short business session the lit-
erary exercises were taken up by Mrs.
J. L. Kelley, the leader for the occasion,
who had arranged a very interesting
and instructive program, the subject
being "An Evening With German
Women."

The first number was a reading by
Mrs. Richards on "Women's Work at a
German University," which was a clear
insight as to the difficulties expe-
rienced by women attending the uni-
versities and lectures, and what they
accomplished.

Miss Norton read an excellent paper
on "Germany's Idol, Queen Louise."

Next on the program was a beautiful
piano duet rendered by the Misses
Wimberly, which added greatly to the
evening's entertainment.

Miss Adamson followed with an in-
teresting reading entitled "The Ger-
man Wife Compared With the Ameri-
can." Owing to the absence of the
member to whom this part of the pro-
gram was assigned, the oral sketches,
"Three Empreses," was omitted,
except as alluded to during the roll-
call and table talk.

A piano solo by Miss Wimberly
closed the program.

The next meeting of the club will be
held January 9th at the residence of
Mrs. Rogers.

A Grim Tragedy

It daily enacted in thousands of
homes, as death claims, in each one,
another victim of consumption or
pneumonia. But when coughs and
colds are properly treated, the tragedy
is averted. F. G. Hentley of Oak-
land, Ind., writes: "My wife had
the consumption, three doctors gave
her up. Finally she took Dr. King's
New Discovery for Consumption,
coughs and colds, which cured her, and
today she is well and strong." It kills
the germs of all diseases. One new
relieves. Guaranteed at 50c and \$1.00
by all druggists. Trial bottles free.

Punch and Judy for the Children.

One of the most enjoyable occasions
of the Christmas festivities was that of
the Episcopal Sunday school tree,
which was given the children on
Thursday afternoon at the opera house.
The tree, in addition to the usual or-
naments, was covered with miniature
electric lights from top to lowest
branches, the little fire fly glowing
among the bright green leaves, and in-
numerable presents showing off admir-
ably. For these the school was in-
debted to Manager Doig of the electric
light company.

Dr. Bullock, as superintendent, was
ably assisted in the distribution of the
gifts by Mesdames Thomas and War-
ner, Misses Mary Strobhar and Nora
Norton, Rev. F. H. Craighill and Capt.
Layton.

Not the least of the evening's enjoy-
ment was the excellent Punch and
Judy exhibition given by Prof. Lonow
of New York, who was secured upon
his arrival in the city for this occasion
before even his presence here had been
known to others.

Great credit is due all concerned for
their efforts to please the children of
their Sunday school.

Found a Cure for Indigestion.

I use Chamberlain's Stomach and
Liver Tablets for indigestion and find
that they suit my case better than any
dyspepsia remedy I have ever
tried and I have used many different
remedies. I am nearly fifty-one years
of age and have suffered a great deal
from indigestion. I can eat almost
anything I want to now.—Geo. W. Ex-
oxy, Rock Mills, Ala. For sale by all
